

In re KANEKAR ET AL., Application No. 10/630,174
Amendment B Pursuant to 37 CFR 1.312

REMARKS

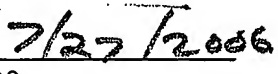

Applicants appreciate the Notice of Allowance and the determination that the subject matter of all pending claims are allowable. Applicants have noticed a couple of typographical errors, which were repeated in similar claims written in a different claim formats. Applicants have filed the enclosed Petition to Withdraw Application from Issuance and Request for Continued Examination (RCE), and present the amendments herein simply to correct these typographical errors in the claims and to put the case in condition for issuance. Support for correcting these typographical errors is provided at least by FIGs. 9B, 9C and 9D. Reconsideration and/or further prosecution of the application is respectfully requested. No new matter is added.

Applicants request a new Notice of Allowance be expeditiously issued as all pending claims are believed allowable for at least the reasons the Notice of Allowance was previously mailed to Applicants as this amendment merely corrects obvious typographical errors.

Respectfully submitted,
The Law Office of Kirk D. Williams
